All samples must arrive by December 1, 2009. Please do not send your submissions before September 1, 2009. There can be no exceptions to the December deadline, as the tasting panel will meet soon after that date. Samples must be from the 2007 or 2008 vintage. Please limit your submission to ONE selection, as only one wine per winery will be reviewed. Samples must be finished and bottled (barrel samples will not be accepted). A winery must produce at least 500 cases of Pinot Noir to be considered.
